Spring Term

PLACE2BE

New Place2Be School Project Manager

I am writing to let you know that I will be moving on from Gifford at the end of this term. I will miss the school and the work here enormously and I have so enjoyed getting to know many of you.

Mahroo Niroomand will be taking over the project starting after the Easter Holidays. If your child mentions this news please reassure them, as I will, that the service will continue as normal and that Mahroo and I will work together to minimise any change during the handover. Do encourage them to see me if they would like to talk more about it.

Please continue to make use of Place2Be and do contact me if you have any questions.

With very best wishes,
Daisy Anderson
